TWENTY YEAR LIMITED WARRANTY

ACA Corporation (“ACA”) warrants to the original consumer that the anodized surface of its product is free from manufacturing defects that would cause it to peel, blister, crack, split, or chip for a period of twenty (20) years from the date of delivery, subject to the terms, conditions, and limitations stated in this warranty.

If any covered product is found to be defective under this warranty, ACA will, at its expense and as it deems advisable, repair, or replace its product, or make a pro-rated refund, as indicated, of the original cost of its product.

Up to 3 years after delivery.....	100%
3 to 6 years after delivery.....	80%
6 to 10 years after delivery.....	60%
10 to 15 years after delivery.....	35%
15 to 20 years after delivery.....	15%

ACA's liability under this warranty is limited to the original cost of its product as pro-rated above.

This warranty is subject to the following terms and conditions:

1. This warranty does not cover damage to the anodized surface due to abrasion, abuse, or physical impact (including crazing or cracking due to roll-forming or bending during fabrication), or damage from exposure to corrosive atmospheres or precipitations.
2. To continue this warranty in effect the anodized surface must be maintained and cleaned at least annually. Maintenance and cleaning as specified by AAMA must be performed and documented in writing.
3. All claims under this warranty must be made within thirty (30) days after discovery of a defect and prior to any alteration or repair. Claims must be made in writing to:
